LET US KNOW WHAT YOUR NEEDS ARE!

The U.S. Commercial Service presents TOPs - Trade Opportunity Program, where trade leads in the U.S. are initiated for your specific needs ranging from products, services, equipment & machinery. Please complete the attached form and return at your earliest convenience. Once the completed questionnaire is received, it will be forwarded electronically to our overseas Trade Specialists in the various U.S. district offices who can link you to relevant U.S. suppliers of the product/service you require. By using TOP's you will enjoy the added benefits of U.S. companies contacting you and of price comparison.
